Certificate of Security Achievement

SECURITY JOURNEY

This certifies that:

Yushun Wang

has completed the Path:

Modern AI Development Techniques

Modern AI Development Techniques introduces developers to emerging practices including vibe coding, AI agents, and the Model Context Protocol (MCP). Through focused, hands-on lessons, learners will master the art of integrating AI into everyday development workflows and build more intelligent, more efficient systems using modern AI techniques and tools (such as Guardian AI).

Path Duration:
1 hour, 6 minutes

Completed On:
July 28, 2026

Certificate No: 001084-000020
